Steven,

Can you draft a canned extension letter for this? I have had this one and a couple of other extension requests for substantiation requests.

Subject: Request to Substantiate Confidentiality Claim-Extension of Time to Respond

Hi Aaron,

Please consider this email a written request to extend the response time for your letter dated May 25, 2011.

The attorney who worked with the landowners, Desimone Trusts, is no longer with Davis Wright Tremaine. Due to the complexity of the matter, the Desimone Trust will need to work with her replacement on the response comments requested by the EPA. I am in the process of determining who that replacement is for this matter and would ask for 45 days to respond or by July 15, 2011. Thank you for considering our extension to respond.

Regards,
Liz
